

Florida Power & Light Company Nuclear Operations

An Economic Engine

STRENGTHENS FLORIDA'S ECONOMY

FPL Nuclear supports nearly:

\$ 1 4 0 0 0 0 0 0 0 0

of economic activity in Florida annually

1 6 0 0

direct nuclear jobs

5 8 0 0

direct & indirect jobs statewide

DELIVERS EMISSIONS-FREE ENERGY

U.S. EPA
annual equivalent
of removing

cars from the road

CO₂ reduction of

approximately
15 million tons
per year

STIMULATES THE ECONOMY

\$1.4 billion

total economic impact
on Florida annually

For every \$1

FPL nuclear
spends, the Florida
economy produces

\$1.50

SUPPORTS LOCAL COMMUNITY

FPL's employees
donate more than

\$958,000

each year to local non-profits,
including the United Way, near
its nuclear power plants

AFFORDABLE ENERGY PRICES

Because of relatively low production costs,

FPL's nuclear operations help us maintain the lowest bills in the state.
