An Economic Engine

STRENGTHENS FLORIDA'S ECONOMY

Turkey Point supports nearly:

of local economic activity annually

direct jobs at
Turkey Point

direct & indirect jobs in Florida
resulting from Turkey Point

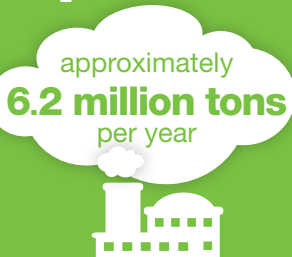

DELIVERS EMISSIONS-FREE ENERGY

U.S. EPA
annual equivalent
of removing

cars from the road

CO₂ reduction of

STIMULATES THE ECONOMY

**\$543
million**

total local economic
impact annually

For every \$1

FPL's Turkey Point plant
spends, the local
economy produces

\$1.43

SUPPORTS LOCAL COMMUNITY

FPL's employees in
Miami-Dade and Broward
donate more than

\$740,000

each year to local non-profits,
including the United Way

AFFORDABLE ENERGY PRICES

Because of relatively low production costs,
FPL's nuclear operations help us maintain the lowest bills in the state.
